Re: *United States. v. Chaskel Landau*, 21-cr-401

Dear Judge Karas:

I write to respectfully request permission for Chaskel Landau to travel to Poland from May 3 to May 6.

As Your Honor will recall, in mid-2022, Mr. Landau was sentenced to five month's home confinement, and a two-year term of supervised release. Mr. Landau is now more than three-quarters the way through his term of supervised release.

Mr. Landau would like to accompany his father-in-law (who is 71), who will be traveling to Poland to participate in the annual remembrance of death (or *Yarzheit* in Yiddish) of Rabbi Elimelech of Lizhensk, a very important Hasidic rabbi who lived in the 18th Century. *See* https://en.m.wikipedia.org/wiki/Elimelech_of_Lizhensk. Every year, thousands of Hasidic Jews visit the gravesite and pray there, as part of their religious observance.

I have spoken to both Probation and the U.S. Attorney's Office and neither has any objection to this request. If this request is granted, Mr. Landau will provide Probation with his full itinerary.

Respectfully submitted,

/s/
